

SureMed by Omnicell for SynMed

High Quality Packaging for Your Synmed Automation

OmniceLL® has created a high-quality blister card specifically for SynMed® automation. SureMed® cards designed for SynMed went through a rigorous testing process at high volume pharmacies to ensure they meet superior standards that customers have come to expect.

Why SureMed for SynMed

- Integrates seamlessly into the SynMed workflow for filling, sealing, and labeling
- Easily seals directly on the SynMed tray to improve pharmacy workflow
- Booklet style card provides excessive space to allow for printing of patient, drug, and facility information

SureMed by Omnicell Multimed Adherence Cards

SynMed
